

IVUP San Diego to Imperial Valley Campus
REDIRECT FORM

NAME: _____

RED ID: _____ PHONE: (_____) _____

EMAIL: _____

SD MAJOR: _____ IV MAJOR: _____

For SD Major, please write down the major you wanted to pursue at the SD Campus. The IV Campus offers the following majors for first-time freshman: Criminal Justice, History, Liberal Studies, Psychology, Public Administration and Spanish* (*The Spanish major is only open for students who have taken AP Spanish Language and have obtained a score of 3 or higher). If the major you wanted is different from those offered, in order to attend the IV Campus, you must select one of the majors available.

The Imperial Valley University Partnership accepts students every fall semester. Your request to redirect your application from the San Diego (SD) to the Imperial Valley Campus (IV) will be processed upon receipt. In order to review your request, you must provide the following information.

- You must complete this form and submit it to the IVUP Office located in the Administration Building of SDSU-IV in Calexico.
- You will be notified if your redirect request was approved *after* May 15th.
- Along with this form, please submit your official high school transcript (in its original sealed envelope) with senior year fall grades.
- Please keep in mind that **you must continue to fulfill all other requirements for admissions, such as submitting SAT/ACT test scores and taking the ELM/EPT exams (last exam is in May), as indicated on your SDSU Webportal.**

Why do you want to have your application redirected from the SD to IV Campus? If the IV Campus does not offer your major, how will this affect your career goals? (Attach separate sheet if needed)

I, _____, applied to San Diego State University, SD Campus for the fall 20____semester, but due to the reasons stated above, I will not go to the SD Campus. I would like my application to be redirected to the IV Campus.
